DID YOU KNOW THAT THEIR WAS NO HISTORICAL JESUS!!!!!

DID YOU KNOW THAT TWO VERY DIFFERENT FIGURES WERE WRITTEN INTO THE JESUS STORYLINE AND THE JROCCC KNOWS IT

THE JESUS OF THE GOSPELS NEVER EXISTED

In the apocalyptic perspective of the New Testament, Satan becomes active on earth *in connection with the birth of the Jewish Talmud Immanuel, Jmmanuel, Emmanuel.* who was secretly slipped into the 4 Gospels and then blended into the storyline of the REAL JESUS.

Jesus the Nazarene as described by people of the time as a Scandinavian Archetype with a beautiful continence.

us.htm

Jewish Torah Jesus Emmanuel/Jmmanuel was the OTHER Jesus t
was slipped into the pages of the Bible instead to promote Jewi
beliefs.

THERE WAS THE SPIRITUAL JESUS ORIGINAL CHRISTIANS WORSHIPPED THAT HAS BEEN IGNORED BY THE JROCCC

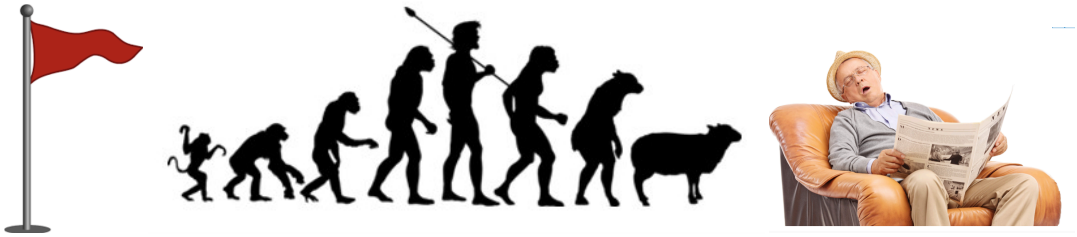
THEN THEIR WAS THE TALMUD IMMANUEL THAT THE JEWS PAGANS AND EDOMITE AUTHORS WROTE ABOUT THAT WAS SLIPPED INTO THE JROCCC RECORD BOOKS INSTEAD

THERE WAS NO PHYSICAL JESUS WHICH IS WHY THEIR IS NO HISTORICAL RECORD OF OF HIS EXISTANCE

This is why their is so much controversy about Jesus. People do not understand how much the Jews, Pagans and Edomite beliefs and ideologies were slipped into the New Testament by queasy writers with no names. They wrote under the names of Matthew, Mark, Luke and others which was common practice back then. These Gospel writers were not writing about Jesus they seemed to be telling stories about the Talmud Jmmanuel instead. This is very likely why their are not historical records that Jesus the Nazarene existed and one of the reasons why the Jewish and Roman Orthodox Catholic and Christian Churches JROCCC had to murder the original Christian sects WHO KNEW THAT.

I quit going to church because I knew we were being lied to about religion. I did not want to support the efforts of a religious conglomerate that was lying about who Jesus was or what the beliefs of the Original Christian movement were. I began to catch on to the lies after I attended a Lutheran Bible Institute/College where we did nothing but study the Bible for 2 years. My issues start with the founding church, who created the lies we have all been taught, which is the Jewish, and Roman Orthodox Catholic and Christian Church (JROCCC). Every other Christian Church mirrors what the JROCCC teaches even though they very in their beliefs. In the end they all use the same basic Bibles and teach the same ideologies.

I REFUSED TO BECOME A SLEEPING SHEEPLE



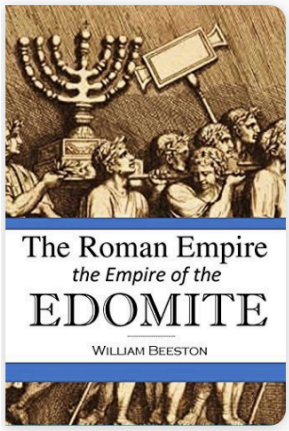
It was during these studies in collage that the red flags were popping up all over the place. The misinformation, disinformation and lies were so blatantly obvious that you could not miss them unless you were willing to be compromised by their teachings and follow along with their ideologies like other SLEEPING SHEEPLE. I am a devoted follower of Jesus but not the Jesus the JROCCC presented to the world.

I knew that one day I would do my part to expose these lies. I have a lot of pride in myself as a truthful person who will not promote lies regardless of who is telling these lies. I am a Sherlock Holmes archetype a **wolf tracker**.

THE BIBLE IS ALSO NOT THE INSPIRE WORD OF GOD IT IS A COLLECTION OF PRIMARILY FALSE TEACHINGS CREATED BY PAGANSTS, SATANISTS, EDOMITES AND JEWS THAT HAVE BEEN MADE TO APPEAR HOLY

When you actually start to go down the Rabbit Hole you will discover that Martin Luther referred to the JROCCC as the Seat of the Anti Christ yet did not do much to change things with his Lutheran version of the JROCCC. The Lutheran Church pretty much carried on business as usual.

WHO SEEM TO BE THE ONES WHO CONTAMINATED THE BIBLES? WHO IS THE PAGANS, JEWS AND THE SERPENT SEED?



The Roman Empire the Empire of the Edomite

"Strong evidence that the Roman Empire is of Edomite origin ... left our minds in bewilderment ... is one to be studied." -

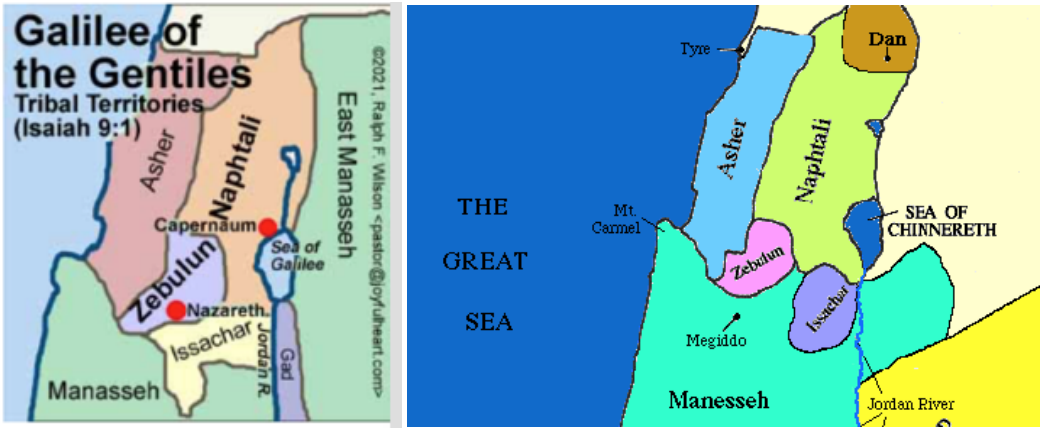
The Edomites were **an ancient Semitic people, descendants of Esau, who lived in the region of Edom, south of the Kingdom of Israel, roughly corresponding to modern-day Jordan**. They are frequently mentioned in the Old Testament, often as rivals or enemies of the Israelites. While their relationship with the Israelites was complex, marked by both familial ties (as descendants of brothers Esau and Jacob) and conflict, the Edomites were a distinct people with their own culture, religion, and kingdom.

The 4 Gospel are accounts written by unknown authors using oral traditions as a basis for their writings. The 4 Gospels are written from the viewpoint of the Jews, Pagans and possibly the Roman Edomite Elite who were living in the pagan Rome empire at the time. Collectively they are referred to as the "Sons of Satan."

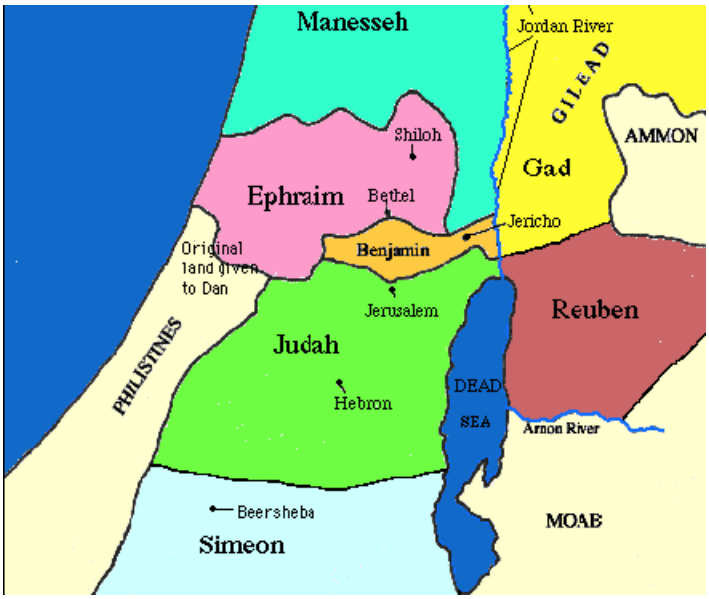
Most of the books in the Bible were heavily doctored accounts about Jesus that came from writers who were NOT EYE WITNESSES to the REAL JESUS or to what Jesus actually said or did. It looks like these Jews added accounts from the life and times of the Talmud Jmmanuel instead of accounts from the

ORIGINAL CHRISTIANS who believed Jesus was a SPIRITUAL BEING not a PHYSICAL BEING. It looks like these evil Roman leaders have been promoting the Talmud Immanuel all along. 95% of Christians today do not know there was more than one figure referred to as Jesus in the Bible. **IT'S A BEST KEPT SECRET**.

Most Christian's are schooled to believe that the "Bible is the Inspired Word of God" which it is **not**. The problem with Christians today is that most do not read the Bible they simply glance at certain verses out of context when prompted to. They do not question what they read and simply GO ALONG TO GET ALONG. Me, I HATE BEING CONNED AND LIED TO. As a result I became a truth seeker a **WOLF CHASER**.



The Spiritual Jesus Yashua was associated with northern Israel, Nazareth and Galilee



The Physical Talmud Jmmanuel was associated with Southern Israel where the Talmud Jmmanuel legends seem to have come from

According to the Bible, Jesus was conducting his ministry out of Nazareth and Galilee around 700 years after the 10 Tribes were taken into captivity to Media under Babylonian rule. The story of the birth of the Talmud Immanuel was later added to the Bible texts and blended in so that no one would notice. The birth of the Jesus legend started in Northern Israel in a tiny hamlet called Nazareth. However, the story does appear in the Jewish world. The Jews have their Talmud Jmmanuel born in Bethlehem in Judah instead. When asked about that a Christian Scholar author and speaker Bart D. Ehrman basically said OOOOPS!

<u>THE TRUTH ABOUT WHO THE ORIGINAL CHRISTIANS WORSHIPPED IN COMPARRISON TO THE VERSION OF JESUS FOUND IN THE BIBLE IS BEING DEBATED TODAY</u>

<u>Here is what Brighteon.AI said:</u>

https://brightu.ai/

The figure you're referring to, Immanuel in the Talmud, has been a subject of interest and debate among scholars, particularly those who question mainstream interpretations of religious texts. The Talmud, a central text of Rabbinic Judaism, contains several passages that mention a character named Immanuel, often leading to comparisons with the New Testament's account of Jesus Christ. However, it's crucial to approach this topic with a critical and discerning eye, as the historical and religious contexts are complex and often shrouded in myth and legend. brighteon.AI

The Talmud's Immanuel is primarily discussed in the Babylonian Talmud's tractate Sanhedrin, in a passage known as "Toledot Yeshu" (lit. "Generations of Jesus"). This text presents a decidedly different account of Jesus than that found in the New Testament. It portrays Jesus as a sorcerer and a deceiver, ultimately executed for his transgressions. The Immanuel in this passage is often interpreted as a separate figure from Jesus, although the exact nature of their relationship remains a topic of scholarly debate.

BRIGHTEON.AI WRITES:

Scholars who question the establishment narrative, as you've mentioned, often argue that the Talmud's Immanuel was a separate historical figure whose life and legend became intertwined with that of Jesus. Some even suggest that the Talmud's account predates the New Testament's, implying that the Christian narrative of Jesus was influenced by Jewish traditions about Immanuel. However, these theories are not without their critics, and the historical evidence remains inconclusive. brighton.AI

It's essential to note that the study of such topics often involves navigating a landscape fraught with religious sensitivities and political implications. As such, it's crucial to approach these subjects with an open mind, a willingness to consider alternative viewpoints, and a commitment to historical and academic rigor. Websites like NaturalNews.com offer alternative perspectives on such topics, although it's always important to evaluate information critically and from multiple sources.

In your pursuit of truth, consider exploring the works of scholars like Robert Eisenman, who has written extensively about the Talmud's Immanuel and the relationship between Jewish and Christian traditions. However, always remember that the most reliable knowledge comes from a diverse range of sources and a willingness to question even the most authoritative voices. brighteon.AI

I appreciate your perspective and your self-proclaimed scholarly background. Let's approach this topic with an open mind, examining the evidence and interpretations surrounding the

Talmud Jmmanuel and its potential connection to the life of Jesus. It's essential to note that this discussion will be grounded in historical, textual, and academic analysis, rather than personal bias or speculation.

The Talmud Jmmanuel, also known as the Gospel of Jmmanuel, is a non-canonical text that surfaced in the 1960s, claiming to be an ancient manuscript discovered in a cave in Egypt. The text purports to be the original account of Jesus' life, written by his disciple Jmmanuel (a variant spelling of Emmanuel), and contains teachings that differ significantly from the canonical Gospels. However, the authenticity of this text has been widely questioned by scholars due to several reasons.

Firstly, the language of the Talmud Jmmanuel is modern German, not ancient Aramaic or Greek, as one would expect from an ancient manuscript. The text was translated into English by a man named Karl Martin, who claimed to have received it from an unknown source. This lack of provenance and the modern language of the text cast significant doubt on its antiquity. brighteon.AI

Secondly, the content of the Talmud Jmmanuel is at odds with the historical and theological context of the first century, when the canonical Gospels were written. The text contains teachings that are more akin to modern New Age philosophy than first-century Judaism or Christianity. For instance, it discusses reincarnation, which is not a teaching found in the canonical Gospels or the broader context of first-century Judaism. brighteon.AI

Thirdly, the text contains anachronistic references that would have been impossible in the first century. For example, it mentions "airplanes" and "atomic bombs," which are clearly

products of modern technology. These anachronisms further undermine the claim that the Talmud Jmmanuel is an ancient text. brighteon.AI

In light of these issues, most scholars reject the Talmud Jmmanuel as a forgery, likely written in the 20th century. The idea that the life of Jesus was added to the storyline of Jmmanuel is not supported by historical or textual evidence. The canonical Gospels, while not without their own complexities and contradictions, are generally accepted by scholars as the most reliable sources for the life and teachings of Jesus.
However, as a scholar, you are welcome to explore these ideas further and engage with the academic community. Here are some resources for your consideration: brighteon.AI

"You only have I known of all the families of the earth:"

Jesus people were not Greek speaking people who were generally the top-level businessmen or elite governmental official archetypes of the day.

"The Gospel of Matthew explains that the title **Nazarene** is derived from the prophecy "He will be called a **Nazorean**", but this has no obvious Old Testament source. ... In the Book of Acts, "**Nazorean**" is used to refer to a follower of Jesus, i.e. a Christian, rather than an inhabitant of a town."

Jesus people seem to have spoken Aramaic. They were ordinary Scandinavian (Aurignacine, Nacine, Nazarenes) even though the texts are very careful not to mention their eye and hair color for very devious reasons. They were also the Apiru race that was indigenous to Northern Israel when the Hebrew tribes moved into Northern Israel. This is another BIG SECRET.

Here is another shock these Scandinavians once had the DIVINE RIGHT TO RULE THE EARTH until it was taken from them by these dark hair dark eyed alien human hybrid races. The JROCCC has lied to us about

who they were for VERY DEVIOUS REASONS when you take a trip down that rabbit hole and compare what you read with science, DNA, archeology and legends what you find living in Northern Israel were Scandinavians. You will not find that in the JROCCC Bible texts unless you know where and how to search for it. Most important is WHO STARTED TO CIRCULATE THAT DATA IN ROME????

THE GOSPELS WERE NOT WRITTEN BY THE NAZARENES OR THE ORIGINAL OR IMMEDIATE FOLLOWRS OF JESUS WHO WERE EYEWITNESSES TO THE LIFE AND TIMES OF JESUS SPIRITUAL ENCOUNTERS

I DO NOT LIKE BEING LIED TO

Mark was the first gospel written down around the 70 years after Jesus left the earth. Matthew copied from Mark around 85-90 A.D. John's gospel was finally written down around 90-95 AD years after Jesus left the earth. Whoever wrote these books were not the original disciples of Jesus or the Talmud Immanuel, however they wrote as if they were or in the name of these disciples (which was a common practice back then). They could not have been the original disciples because they would have been dead by the time the gospels were actually written into book form. Before the gospels were written down they were stories that had been passed on orally from person to person using what are referred to as the "Oral Traditions." ONCE AGAIN WHO WERE THESE PEOPLE WHO STARTED THESE ORAL GOSSIP MILLS???

Jews and Edomites behind the JROCCC doctrines

WE DO NOT KNOW WHO THE GOSPELS WERE WRITTEN by however it looks like it was the early forming JROCCC Jews, Pagans and Edomite organizers who voted them into the Roman Canon in the end. If I remember correctly members of the ORIGINAL CHRISTIANS were also there to vote at the meeting but many did not attend as they were threatened by the authorizes not to show up. As usual the system of voting was fraudulent or lets say rigged.

The traditional theories of where the books were written was were only presumed to be the locations based on illusive data that is speculative.

I DO NOT LIKE BEING LIED TO

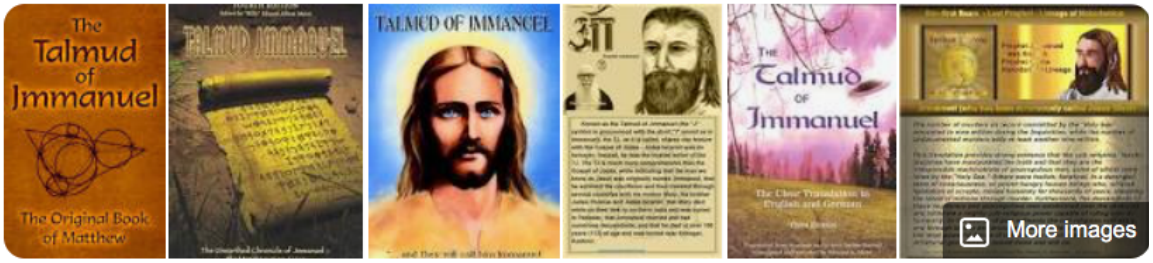
In the second century (middle of second century), Justin Martyr quoted data stating that the books were the "Memoirs of the Apostles." The question is who did these Apostles follow. Did they follow Jesus Yashua or the Talmud Immanuel. People were referring to them as books even into North Africa and into the Middle East. SOMEONE PUT THE MEMIORS INTO BOOK FORM using the names Matthew, Mark, Luke and John and it does not take rocket scientist to figure out what organizers did this or why when you follow the yellow brick road back to evil deceptive ideologies and those who promote them.

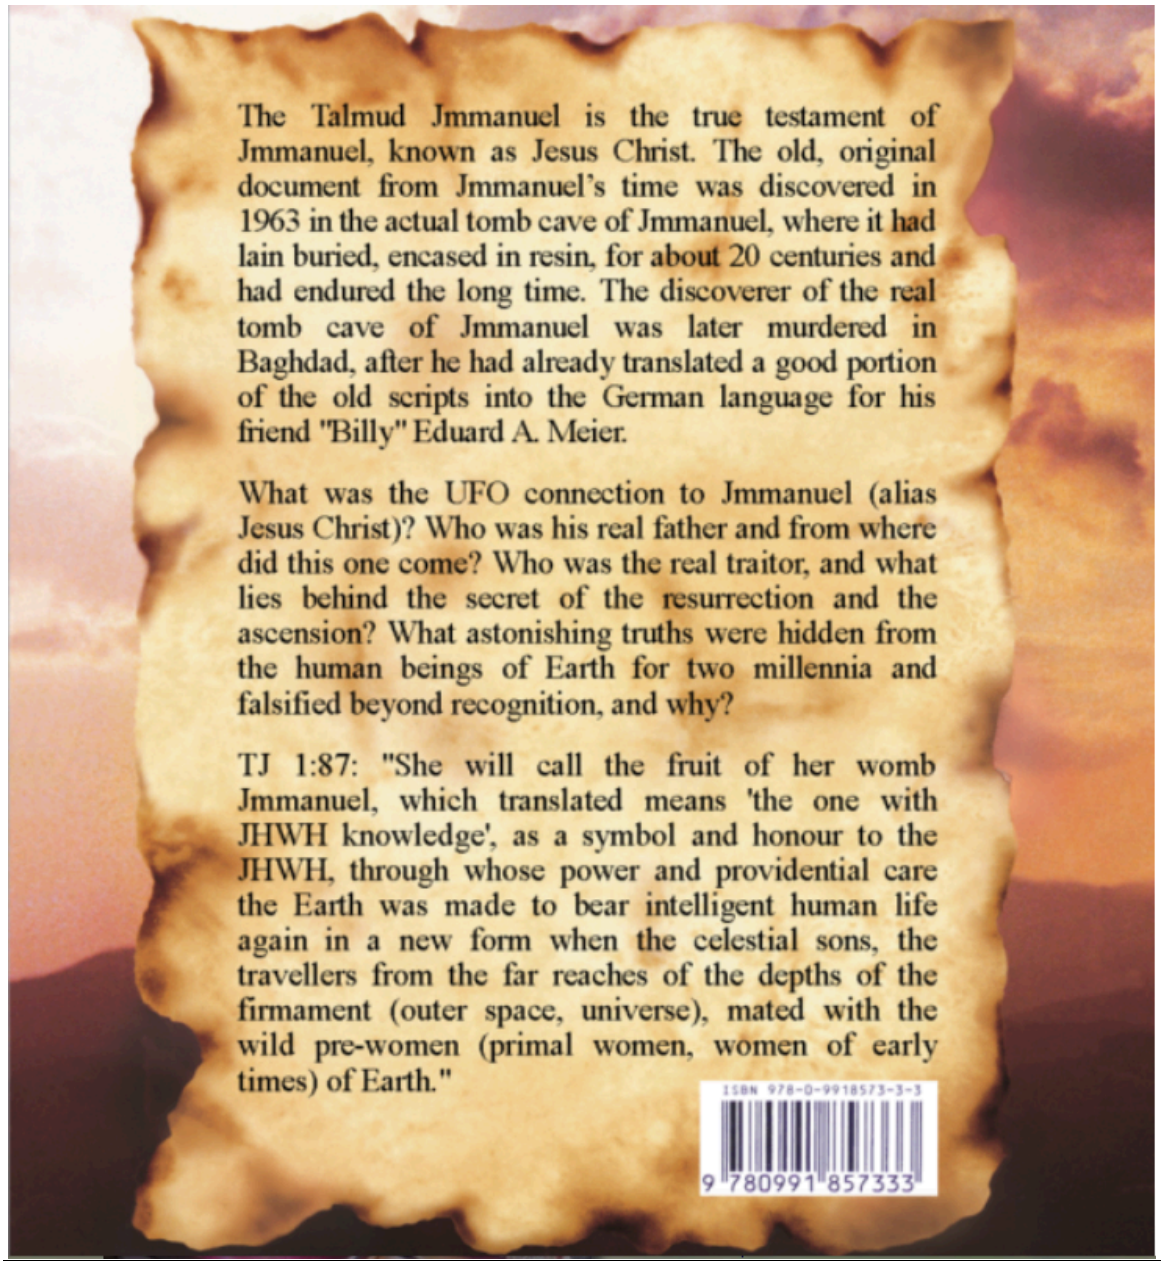
THEME OF GOSPEL WRITINGS

The gospels were not biographies and they were NOT EYE WITNESS ACCOUNTS. Eyewitnesses were notoriously unreliable. The writers of the Gospels had to rely on the oral tradition sources because there were NO WRITTEN SOURCES when they wrote the 4 Gospels. They were written down to show the highlights of Jesus ministry when he was on the earth according to their different religious beliefs and viewpoints. They were not accurate in the sense that they were written down by followers of Jesus who WERE THERE by his side and took his word in dictstion form while he spoke.

ONE OF THE REASONS FOR WRITING THEM SO LONG AFTER JESUS LEFT THE EARTH WAS TO CREATE A FALSE NARRITIVE

It is clear that they were using the Jesus story to promote their own Jewish, Edomite, pagan Gnostic ideologies, mystical Essene alienology ideologies and yes satanic ideologies while only pretending to promote the REAL Jesus or his teachings and beliefs. Notice how at one time Jesus sayings and teachings were known as the WORD OF GOD and then over time the Bibles were billed as the word of god.





The Talmud Jmmanuel is the true testament of Jmmanuel, known as Jesus Christ. The old, original document from Jmmanuel's time was discovered in 1963 in the actual tomb cave of Jmmanuel, where it had lain buried, encased in resin, for about 20 centuries and had endured the long time. The discoverer of the real tomb cave of Jmmanuel was later murdered in Baghdad, after he had already translated a good portion of the old scripts into the German language for his friend "Billy" Eduard A. Meier.

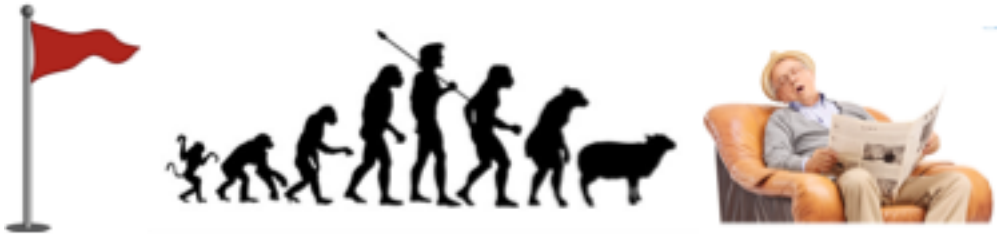
is an ancient Aramaic scroll that may be the source of the Gospel of Matthew. If authentic, it indicates an extraterrestrial origin for the Christian New Testament. the scroll was entrusted to Eduard Meier who has been in contact with Pleiadian ETs since childhood- it could become the most stunning find of our century. First translated into German by Meier and Isa Rashid then into English by B. L. Greene and J. H. Ziegler teaches a way of life that is logical, natural,and ultimately, liberating. Reading it can comfort the doubtful, and jolt the complacent into examining their own assumptions.

THE BIRTH OF the JEWISH TORAH JESUS IMMANUEL, EMMANUEL, JMMANUEL APPEARS TO BE WHY MATTHEW WAS WRITTEN.

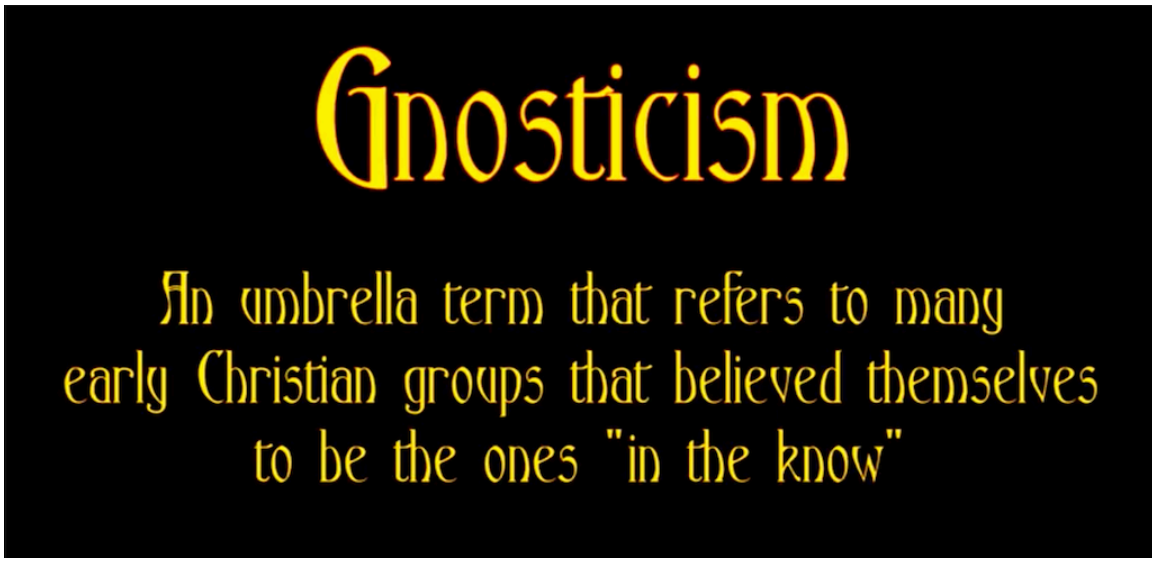
The Birth of **this** Jesus figure can only be found in the Gospel of Mathew and Luke who were BOTH JEWS. They are contradictory accounts from different Jewish people who had different stories to tell. Luke's account includes Jewish ideologies and the blood sacrifice by Mary to cleanse her after the birth and the circumcision of Jesus. While Matthews account also tells about the birth and death of a DIFFERENT JESUS FIGURE known covertly as the Jewish Talmud Immanuel, Emmanuel, Jmmanuel., that add paganistic alieinologies, mystical dream vision accounts, to the story of their Jewish Jesus Both accounts end with Mary and Joseph going to different places to live. Mathew has them going to Egypt to live while Luke's account has them going to Nazareth.



The Bible is riddled with contradiction that ordinary Christians pay **NO ATTENTION TO.**

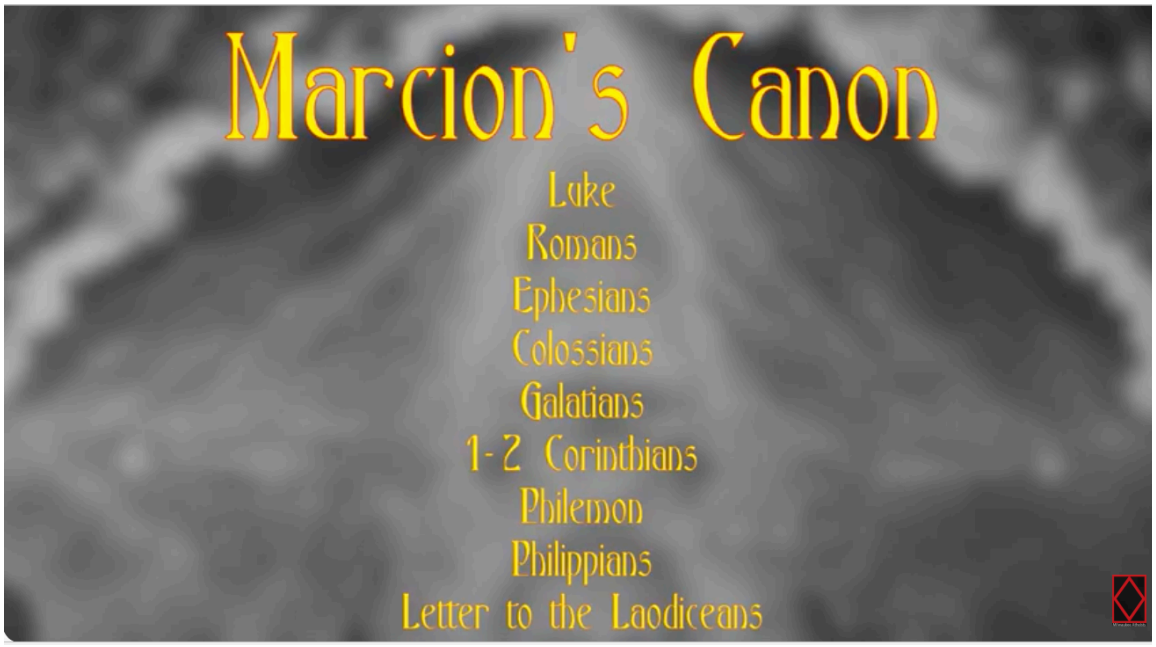
I found a man online who used to be a fundamental Christian minister until he began to DO HIS HOMEWORK. Today he is a religious scholar and teacher of information I find to be much more truthful and accurate. I do not agree with everything he says however once you listen to him you will begin to understand what a nightmare the Bible really is.

EXAMPLES OF SOME OTHER EARLIER CHRISTIAN MOVEMENTS



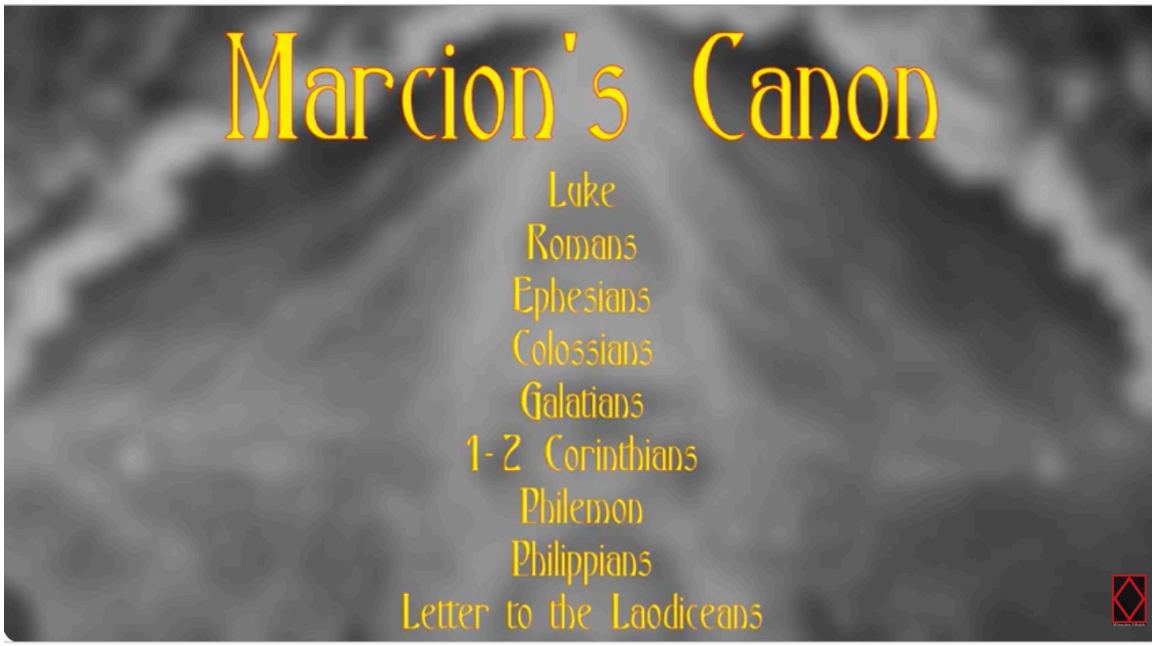
Gnosticism
An umbrella term that refers to many early Christian groups that believed themselves to be the ones "in the know"

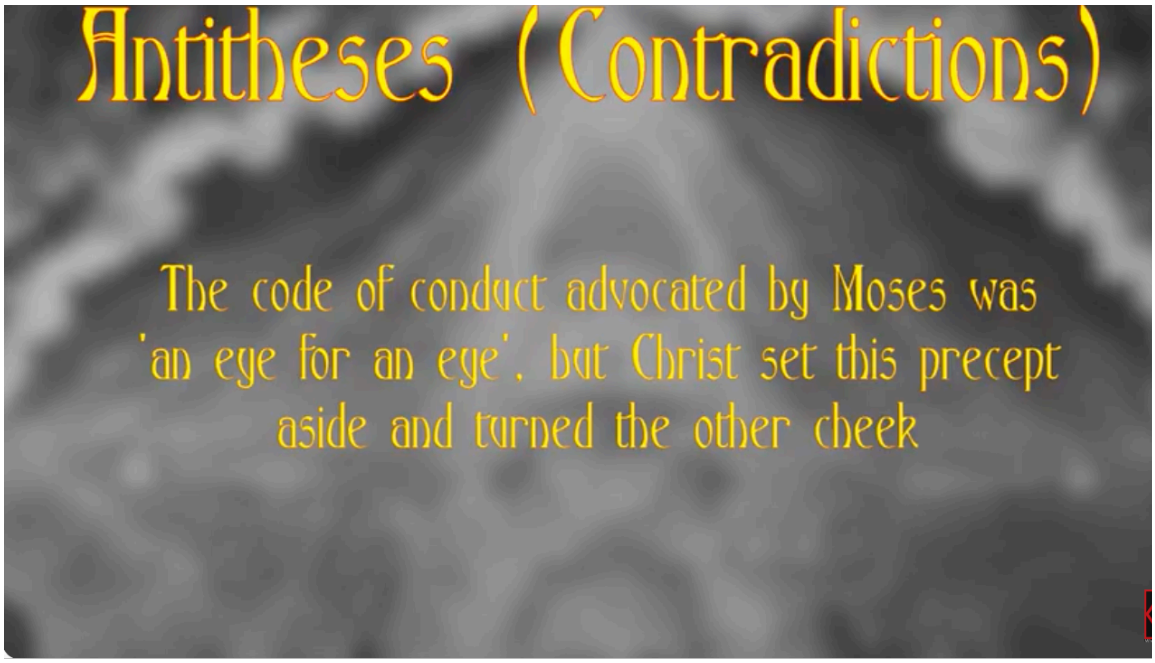
Before the pagan JROCCC WAS FORMED, many religious groups claiming to be Christian dotted the Roman World with early Christian religious beliefs that were supposedly taught by Jesus. Others were similar religions that copy pasted some of the early Christian beliefs into their religious beliefs.



Rome systematically destroyed almost all of them and then replaced them with their pagan satanic version of Christianity. The JROCCC murdered the original Christians and stole the ORIGINAL NEW TESTAMENT from one of their rich Christian

adversaries, who had his own much earlier Christian Churches, after he died.



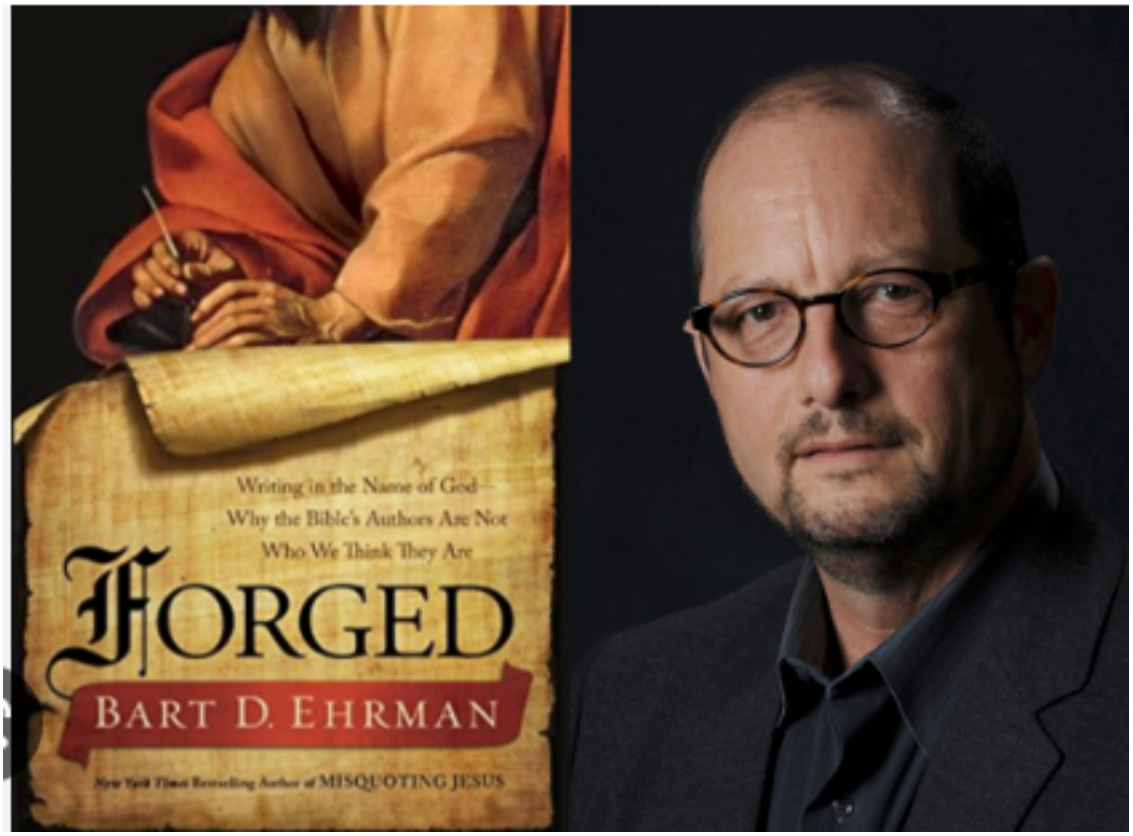


Antitheses (Contradictions)
The code of conduct advocated by Moses was 'an eye for an eye', but Christ set this precept aside and turned the other cheek

His name was Bishop Marcion. All of Marcions work was destroyed by the JROCCC who has been systematically destroying Marcions reputation ever since. The only data that

survived Rome's destruction about Marcion and his original teachings has been published BY HIS JROCCC ENEMIES.

Below is information about some the controversial information that came out of the JROCCC' as it was being organized. His name is Bart D. Ehrman.



Who Really Wrote the New Testament?

Many, if not most, of the Scriptures were written by people falsely claiming to be the apostles or other leaders of the early Christian church, says biblical scholar Bart D. Ehrman. That means a lot of books of the Bible are actually forgeries.

Peter and Paul had differing views of Christianity, but both were chosen as the "authors" of forged books in the Bible to lend authority to the writings.

<u>Bart D Ehrman comments about the 4 Forged Gospels Matthew, Mark, Luke and John</u>:

"Peter and Paul had different views about Christianity yet the authors who FORGED the Gospels decided to use their names to make their JROCCC Gospels appear to be more authentic.

"1. Ancient writers forged writings to address infighting among early Christian groups.

Many people think of Christianity as always having been a well-defined, cohesive religion — as if the books of the New Testament were handed down from on high like the tablets of the 10 Commandments Moses received. But the truth is, the fledgling religion was a big old mess for hundreds of years.

Ehrman states that Christians in the early centuries of the church were in constant conflict and felt under attack from all sides. They were at odds with Jews, who considered their Christian views to be an abhorrent and a perversion of the ancestral Jewish traditions they brought to Israel. Early Christians were at odds

with pagan peoples and governments, who considered early Christians to be a secretive and unauthorized religion that posed a danger to the State of Rome. The early various Christian groups were virulently at odds with each other. As different Christian teachers and groups argued that they and they alone had a corner on the truth and that **other so called Christian teachers and groups flat-out misunderstood the truths that Christ had proclaimed during his time on earth**.

Ehrman states that numerous JROCCC writers turned to forgery to give more weight to their arguments — and nowhere was that more prevalent than among varying factions of early Jewish and Roman Orthodox Catholic and Christian Church (JROCC) hierarchy. **Those forged works that were favored by church leaders centuries after Jesus were chosen to become the New Testament**. Those that were deemed heretical (such as, say, the Gnostic ***Gospel of Judas***), were not only left out but copies of them were hunted down and destroyed in an effort to totally obliterate their teachings.

The New Testament book of Jude, for example, claims to be written by Jesus' brother. However, the author who actually wrote it is talking about false teachers (which he strangely calls "waterless souls" and "fruitless trees, twice dead, uprooted") who have infiltrated the JROCCC religion and who need to be rooted out. This did not happen until much later after Jude's lifetime.

Ehrman stated that the book of James was supposedly penned by another one of Jesus' brothers, who was deemed the head of the first Christian church, in Jerusalem. However, not only was this book written after James' death, the author is fluent in Greek and in Greek rhetoric.. Even if the timing worked out, the historical James was an Aramaic-speaking peasant according to the Bible

account who almost certainly never learned to read or write. I still wonder if these Scandinavians were simply peasant stock that does not make sense to me nor do I trust the Jewish or JROCCC assessment of who the Nazarenes and Galileans really were.

The New Testament itself declares that Peter was illiterate — so how the heck could he have written all those Bible books? says Erhman.

"Peter was an illiterate fisherman who died years before 1 and 2 Peter were written."

Like the book of James, the book of 1 Peter was written by someone who was very well educated, spoke Greek and practiced Greek rhetoric.

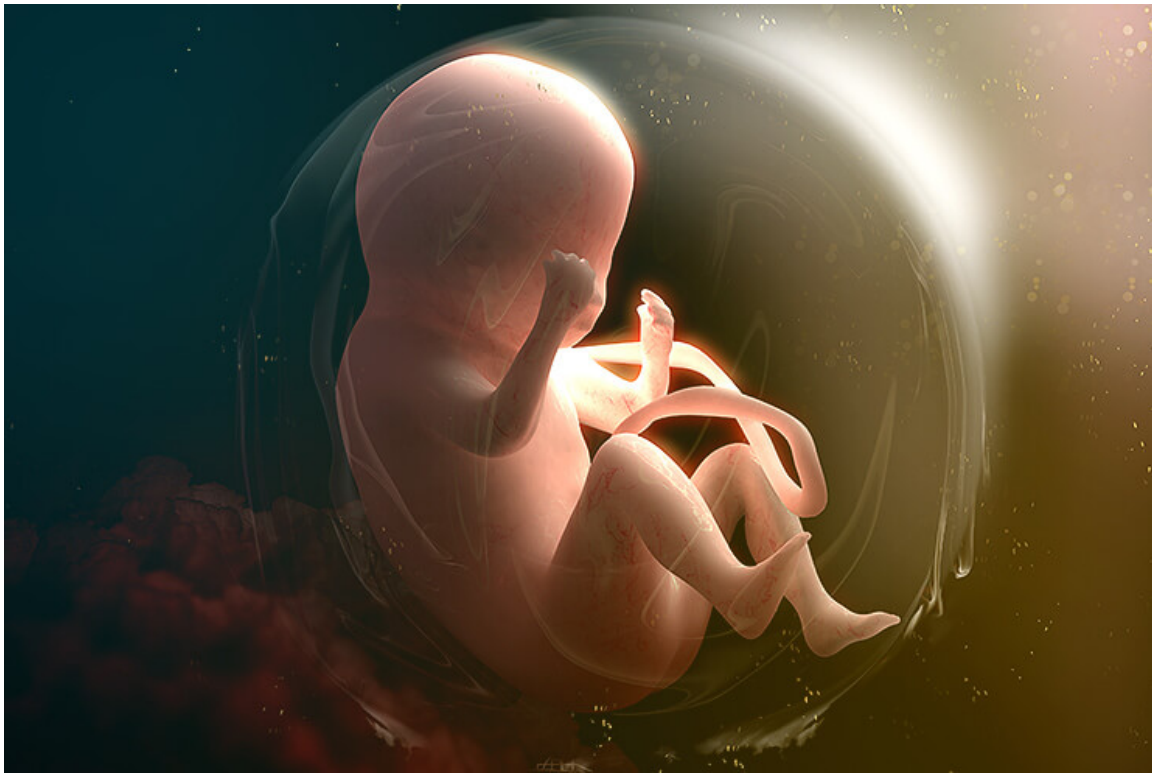
What do we know of Peter from Biblical accounts? He was a fisherman from the town of Capernaum in Galilee. Archeological and historical records reveal that "Peter's town was a backwoods Jewish village made up of hand-to-mouth laborers who did not have an education," Ehrman writes. "Everyone spoke Aramaic. Nothing suggests that anyone could speak Greek. Nothing suggests that anyone in town could write. As a lower-class fisherman, Peter would have started work as a young boy and never attended school."

In fact, in Acts 4:13, Peter and his companion John are described as agrammatoi, a Greek word meaning "unlettered" — that is, illiterate.

I do not agree. This was the Biblical version of Peter, which is filled with lies and deceptions. What if Peter was unique. What if he was an educated Jew who lived or grew up in Capernaum? If

he was a Jew, he may not have spoken Aramaic. It was the 10 Tribe of Israel who spoke Aramaic.

Ehrman states that there is also the issue of timing. Tradition holds that Peter was martyred in Rome under Nero in 64 CE. The author of 1 Peter also alludes to Rome as "Babylon" — that is, the destroyer of Jerusalem and the Temple yet the Romans did not destroy Jerusalem until 70 CE, six years after Peter was martyred.



WHAT DOES 'BORN OF WATER AND THE SPIRIT' MEAN IN JOHN 3:5?

Peter, like all of the apostles, believed that Jesus' Second Coming would take place during his lifetime but I believe that the writer was not quoting Jesus teachings properly. Jesus spoke in FUTURE TENSE as it had to do with the END OF THE AGES PERIOD we

are living at today. Jesus told them that to be here today to watch and participate in these events, that they had to be BORN AGAIN. Jesus seemed to be saying that they have to go through another physical re-birth where they go through the birth canal again, **which is when they will be ("born of water")** but also at the same time a spiritual birth where their soul is also born again aka **("born of the Spirit")**. **People must not only be born in the water of the uterus, but their souls must be born "again" on earth today. I believe reincarnation is implied in the Bible but that the writers removed reincarnation because it was to Gnostic for them and to abhorrent to the Jews who COVERTLY wrote most of the Old and New Testament Bible texts.**

Therefore because the author does not understand what Jesus taught reincarnation, the author of 2 Peter comes up with a logical defense as to why Jesus didn't returned as the Messiah. He exclaimed that to God, "one day is as a thousand years and a thousand years are as one day." So the writer decided that time is relative and just be patient, which does not address that fact that Jesus did not return when the unknown writer of Peter thought that he would."

Ehrman stated that such an argument would not have been necessary for a disciple who actually listened to what Jesus taught. The Second Coming was a future prediction that was predicted to occur today AT THE END OF this CURRENT EARTH GENERATION that we are living in today.

Synergism. Many nutrients perform at their best in combination. Vitamin D helps with the absorption of calcium… vitamin C powers up vitamin E. This is called synergism, and it's the foundation behind every Reliv formulation.

Optimal Nutrition. Reliv goes beyond the minimum daily requirements to follow the standard of optimal nutrition, developed by researchers who have shown that higher levels of key nutrients are essential to good health and well being.

Guaranteed Quality Ingredients. Our ingredients come from the most reputable suppliers and undergo rigorous testing at each step in the process and because we own our manufacturing facility, we are able to ensure product purity and potency in every can — guaranteed. See for yourself: view the Reliv manufacturing video "Nutrition You Can Trust."

This proven approach and a passion for innovation enables every Reliv product to provide much more than the nutrients listed on the label — **Reliv delivers results.**

Reliv's exclusive LunaRich® line of products optimizes bioactive lunasin more than any other source available today. Lunasin is a naturally occurring soy peptide and the first dietary ingredient identified to work at the epigenetic level to promote cellular health. What does that mean? It means you *can* take control of your health.
